From (Name) M.R.Ry. C. Balaji Rao Garu, B.A.B.L.,

(Designation) Chairman Municipal Council Bellary.

To The Secretary to the Government of Madras,

Local Self Government Department.

Madras.

Sir,

Ref: G.O.No:811 P.H. dated 4-5-31 and G.O.No:Ms: 162 P.H. dated 25-1-32.

.....

The work of executing the Water Supply Extension Scheme Cowl Bazaar was taken up by departmental agency. The work has almost been finished. The value of work done up to date is about Rs 5385-13-4. On account of departmental execution of the work, it is expected to have a savings of Rs 3000/- out of the estimated amount of Rs 9000/-. I therefore request the Government to place at the disposal of the Council, its share of expenditure viz: Rs 4500/-. The amount to be drawn as Government grant on this work will be restricted to half the actual

expenditure incurred on this scheme or Rs 4500/- whichever is less. As the Council has spent this amount from its funds and as it finds very difficult to meet other expenditure it is specially requested that the grant applied for may be paid as early as possible.

No. 1469.

Station Chepauk, Madras; *Dated the* 23 March 1932.

From (Name) G.V. Rao Esq., B.Sc., A.M.I.C.E.,

(Designation) Sanitary Engineer to Government.

To The Secretary to the Government of Madras,

Local Self Government (Public Health) Department.

Sir,

In continuation of my U.O. No. 134 G., dated 21-3-1932 I forward herewith copy of letter No. 173 dated 18-3-1932 from the Deputy Sanitary Engineer, Central Circle, on the question of a grant to Bellary Municipal Council in connection with the water supply extension scheme for Cowl Bazaar, Bellary.

Since the Deputy Sanitary Engineer, Central Circle, is not in a position to certify as to whether the work has been carried out satisfactorily or not, under the circumstances stated by him, the matter may be kept in abeyance pending inspection by the Deputy Sanitary Engineer, Central

Circle, of the works carried out so far and submission of his final report.

G.V. Rao 23/3/32.

DSR/23-3-32). Sanitary Engineer to Govt.

23.3.32

5

Copy of letter No. 173 dated 18-3-1932 from the Deputy Sanitary Engineer, Central Circle, to the Sanitary Engineer to Govt.

Reference your No. 437-S dated 18-3-1932 and this office No. 147 dated 27-2-1932 re: Water Supply to Cowl Bazaar Extension, Bellary.

From the file received from the Council it is seen that the collection of materials began in December 1931, payments made for the materials in January 1932, departmental labour engaged from the 22nd December 1931 to 29-2-1932, contractors' work measured on 6-3-1932 and payments to contractors made on 8-3-1932. It is thus seen that the Council has finished the execution of the work only about the 8th March 1932 but had applied for the grant so far back as 16-2-1932.

Vouchers received from the Council amounted to Rs.5864-6-0 against the final figure of Rs.6300 and these were checked and found to be in order. It is however not understood as to why the Council did not care even to intimate this department about this extension work especially when the G.O. sanctioning the work clearly required them to execute the work/under the supervision of this Department.

In the above circumstances I am unable to say whether the work has been carried out satisfactorily or not. No doubt the Council has shown a saving of Rs.2700 in the sanctioned amount of Rs.9000.

Subject

Grant - Cowl Bazaar Water Subbly Extension Scheme.

DS

Provision has been made in the C.B.E. for 1931-32 for a grant of Rs 4,500 to the Bellary Mcl towards expenditure on the Cowl Bazaar water Subbly Scheme. This provision was done on the recommendation of the Sanl Engr in his Lo note No 507-G.d 20-9-1930. The C.M.C. Bellary has now submitted an application for a half grant on the above account. He reports that the value of the work done up to date amounts to Rs 5,385-13-4. He however requests Govt to place at his disposal the sum of Rs 4,500. As the grant is payable on the post payment system and as the actual expenditure incurred is reported to be Rs 5,385-13-4, the Council is eligible for a grant only One half of this amount, viz, Rs 2,692-14-0. Before sanctioning this amount the Sanl Engr may be requested to state Lo whether the work has been carried out satisfactorily and, if so, what amount may be sanctioned to the Mcl on the above account. As the

233
24.2.32.

order sanctioning the grant will have to be dispensed before the 15th March the San4 Engr may be requested to treat this reference as specially urgent and to submit his reply before the 1st week of March, if possible.
